Retransmitted with compliments, to the Secretary to Government, Law Department, Bangalore

One third of the cost or Rs 833-5-4 is to be provided from Government funds It will have to be provided from the same source from which the moiety of annual maintenance charges are found

The Sanitary Engineer reports that the coils are not likely to be received before the end of June 1942

Under the circumstances, the cost of the coil may have to be included in the Annual Maintenance Estimate for 1942-43

Sir

Re - 65 H P motor at Jewell Filters, Mysore

I have the honour to state that the Sanitary Engineer reports that when the motor at the above filters was recently burnt out, the available set of spare coils were used for rewinding and that it is necessary to keep spare set of coils for emergencies The cost of the coils will be Rs 2,500/- orders for which will be placed through the Chief Electrical Engineer In view of the urgency, the Sanitary Engineer is this day requested to place orders through the Chief Electrical Engineer for the coils in anticipation of sanction of Government

A copy of Sanitary Engineer's letter No 616 dated 13-11-1941 addressed to the President, City Municipal Council, Mysore, is enclosed for information As there is no provision in the current year's Annual Maintenance Estimate, the Sanitary Engineer has asked for the approval of the President, Municipal Council, to meet the cost

I, therefore, request you to be so good as to obtain and convey sanction of Government to the above purchase through the Chief Electrical Engineer at a cost of Rs 2,500/-

I have the honour to be,
Sir,
Your most obedient servant,
Director of Public Health

Letter No 616 dated 13th November 1941 from the Sanitary Engineer, Bangalore, to the President, City Municipal Council, Mysore

---

Re 65 H P motor at Jewell Filters, Mysore

I have the honour to state that when the motor was recently burnt out, the complete set of spare coils that were available in stock, were used for rewinding the same, and it is necessary that a fresh spare set of coils has to be got and kept as spare for use during emergencies The cost of this will be Rs 2,500/- and the same will have to be imported from England There is no provision in the current Annual Maintenance Estimate to meet the cost of the same, to enable me to take necessary further action in procuring the spare set of coils
